

THE LUNG ASSOCIATION™ Ontario

The Lung Association

The Lung Association is one of Canada's oldest voluntary, not-for-profit health promotion organizations. *The Lung Association* is concerned with the prevention and control of asthma, chronic lung disease caused by smoking, air quality and its effect on lung health as well as being a leader in tobacco control.

If you would like more information about how you can join us to help the fight against lung disease, please call the Huron-Perth office at 519-271-7500 or email jmccaw@on.lung.ca.
